U. S. PATENT OFFICE

THE METROPOLITAN GROUP

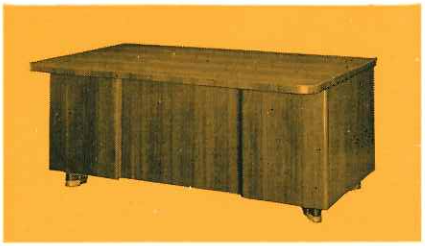
Imperial desk company

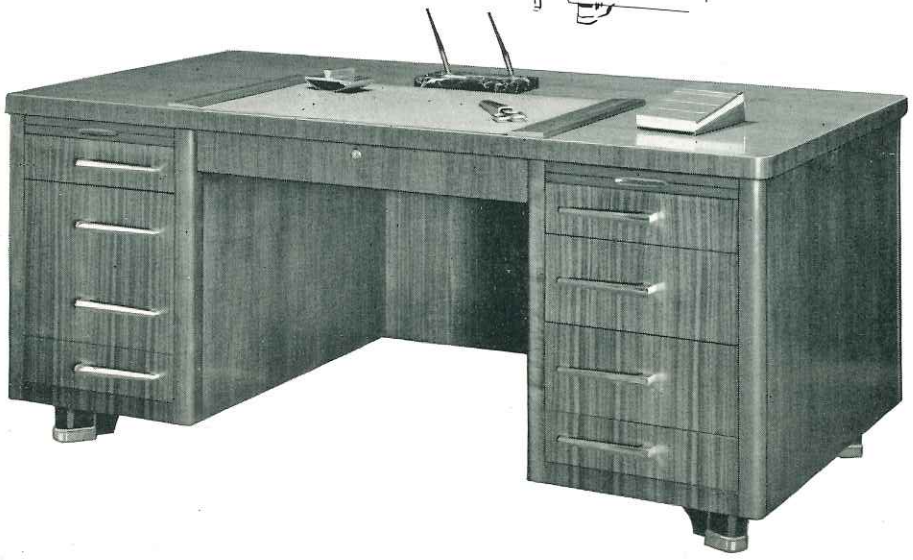
Conference desk

. . . for department heads and executives. Nine-inch overhang of desk top at back permits comfortable seating right up to the desk . . . ease in note-taking and dictation.

No. 7469-69 (69 x 45)
No. 7460-60 (60 x 43)

Nine-inch overhang at back only.



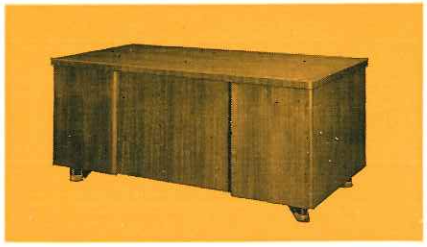


Executive desk

. . . handsome, efficient, roomy—the practical desk for the busy executive.

The Executive desk, and all other pieces of the Metropolitan Group are available in three luxurious hand-rubbed finishes — Mellotone Walnut, Gray Oxford Walnut, and Champagne Walnut — to complement any office.

No. 7469 (69 x 36)
No. 7460 (60 x 34)



THE METROPOLITAN GROUP—FINE OFFICE FU

THE METROPOLITAN GROUP

Credenza

. . . typical of the flowing beauty of the Metropolitan Group is this graceful Credenza. The Metropolitan Group features "Densiwood" posts at knee-well spaces, eliminating the possibility of marring or scuffing. The round-corner design gives greater working space in less area. No. 7160 (60 x 16)

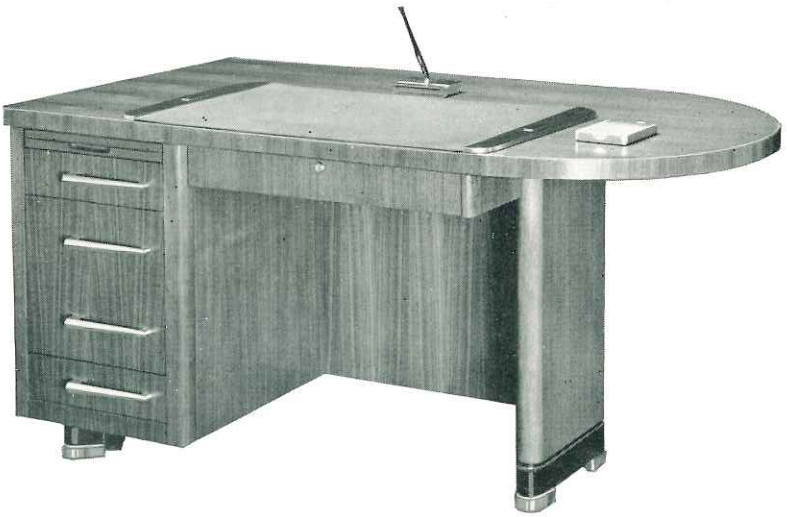
RNITURE DESIGNED SPECIFICALLY FOR THE BU

. . . designed
to conform with the
working habits of the busy
executive . . . to complement him
and increase the productivity of his
entire staff. Beautifully finished
in Gray Oxford Walnut,
Mellotone Walnut, and
Champagne Walnut.

Conference desk

. . . with nine-inch overhang on both sides
and back—for comfortable seating
all around the desk.
Designed to eliminate the need
for a separate conference room and table,
this Conference desk is also a valuable
working partner for the busy executive.
No. 7486-69 (86 x 45)
No. 7477-60 (77 x 43)
Nine-inch overhang at sides
and back.

BUSY EXECUTIVE AND HIS ENTIRE STAFF •



Consultation desk

. . . for employees who meet the public, the Consultation desk is designed to provide maximum efficiency while occupying a minimum of space. Available with the pedestal on the left or right . . . features such improvements as adjustable glides, island base with four points of bearing for stability . . . other Metropolitan extras.

No. 7060L (60 x 34)

With right pedestal—No. 7060R

Secretarial desk

. . . with typewriter well in left or right pedestal and four large drawers in opposite pedestal, with spacious center drawer.

Bright brass ferrules on entire Metropolitan Group give added protection, match drawer pulls, add beauty and charm to attractive, hand-rubbed finishes.

No. 7560L (60 x 34)

With right pedestal—No. 7560R

No. 7760 (60 x 34)

specifications . . .

MATERIAL

Genuine Walnut exteriors. All veneer carefully selected for color and matched for grain. Bases of hardwood, finished black with metal ferrules as shown.

CONSTRUCTION

Tops are 1½ inches thick, five-ply construction, with flat edges, veneered with grain running vertically. Corners of tops are rounded.

Panels are five-ply construction.

Posts are 1¾ inches square with exposed corners rounded. Posts at knee-well space are of "DENSIWOOD," eliminate marring and scuffing.

Drawer interiors are natural finished oak with full dovetail construction, three-ply bottoms framed in. File drawer in left pedestal (of all double-pedestal, flat-top desks) is fitted with ball-bearing drawer suspensions and equipped with "PENDAFLEX" executive convenience file. File drawer in consultation desk is fitted with follower block with pressure bar adjustment. All single drawers are fitted with movable drawer partitions that can be adjusted to individual requirements. All desks have dustproof bottoms.

Desks and tables are equipped with Faultless adjustable glides to permit regulation of height from 29 inches to 30½ inches.

Tables are constructed to permit "knocked down" shipment.

HARDWARE

Drawers are fitted with cast pulls finished in bright brass.

Bases are fitted with cast ferrules. Knee drawer has tumbler lock with milled keys and all desks are fitted with automatic drawer-locking devices with positive action controlled by knee drawer.

Bookcase has plate-glass doors with ball-bearing slides and two adjustable shelves.

advantages . . .

The Metropolitan Group is designed first for efficiency, secondly for beauty and durability. These outstanding features make the Metropolitan Group America's newest fine office furniture:

- Graceful round-corner design gives greater working space in less area.
- Adjustable glides permit greater working comfort and equalizes any unevenness in the floor.
- Densiwood posts at knee-well space eliminate possibility of marring or scuffing, protect trouser legs and hose from snagging.
- Dustproof underconstruction keeps files and papers clean.
- Four points of bearing insure stability and balance on island-base.
- Pendaflex executive convenience file makes vital records easily accessible.
- Movable partitions in drawers permit each desk to be adjusted to individual requirements.
- Ball-bearing suspensions on file drawer give finger-touch control.
- Bright brass drawer pulls add beauty and charm to attractive, hand-rubbed finishes.

Pictured is the handsome Boulevard Modular Grouping shown in the full-color photograph on the cover. From its crisp, clean lines to its roomy, easy-to-reach cabinets and work space — it's designed to answer all of the needs of the busy, efficiency-minded modern executive.

HANDSOME and FUNCTIONAL WORK AREAS for the ENTIRE office

these are just a few of the Boulevard Modular Groupings possible!

whatever your requirements . . . whatever area you may be furnishing — whether it be the general office, the secretary's, or the executive's . . .

you can "tailor-make" these groupings to suit your exact working needs!

SUGGESTED GROUPING FOR COMBINATION RECEPTIONIST-TYPIST

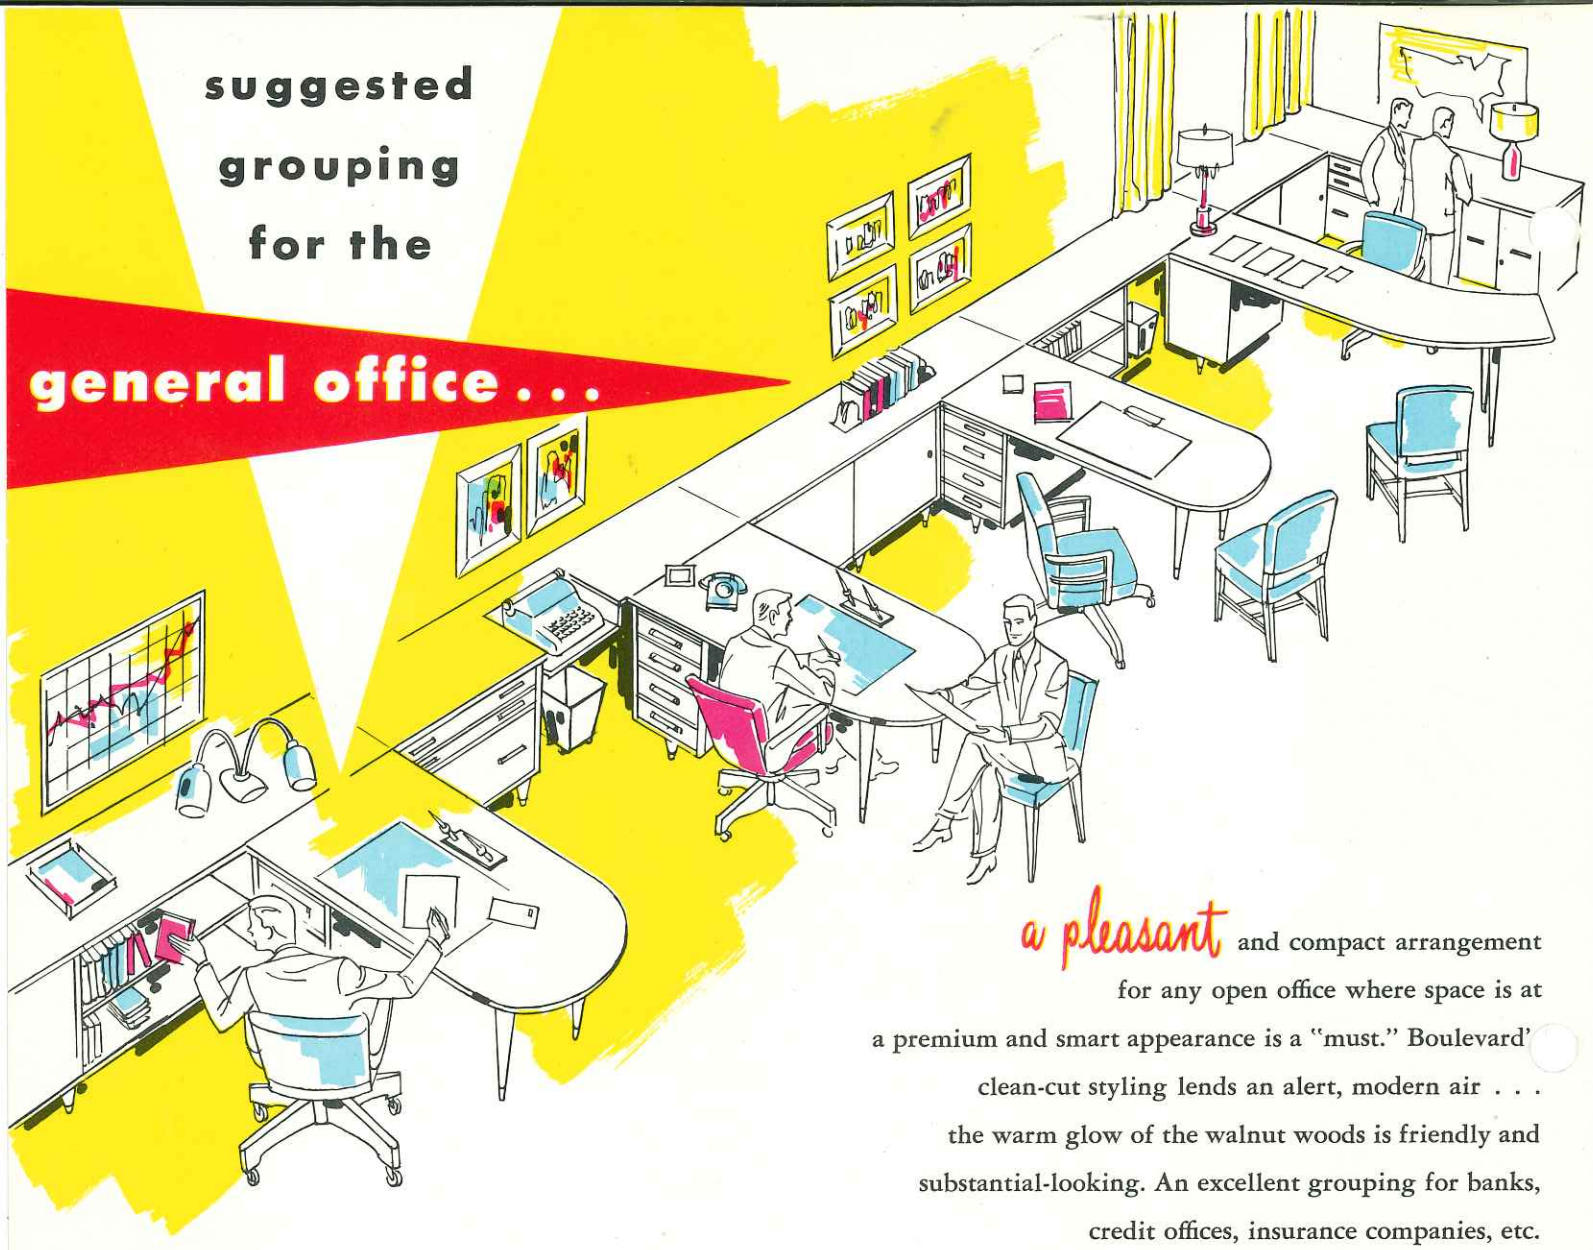
Here is a grouping that has been designed especially to accommodate the busy receptionist who numbers typing among her other duties. The smart-looking desk has a gracious, uncluttered look that presents a pleasing façade to the public. But just a turn of her chair — and she's ready to start typing, with plenty of work and handy storage space at her finger tips.

SUGGESTED GROUPING FOR COMBINATION EXECUTIVE-AND-SECRETARY ISLAND

The ideal arrangement for the executive and secretary who are situated in the same office or in an open area. Each has his own individual working space, but each is readily accessible for information and consultation. A grouping such as this avoids the usual "crammed" look . . . actually saves on space!

suggested grouping for the

general office . . .



a pleasant and compact arrangement for any open office where space is at a premium and smart appearance is a "must." Boulevard's clean-cut styling lends an alert, modern air . . . the warm glow of the walnut woods is friendly and substantial-looking. An excellent grouping for banks, credit offices, insurance companies, etc.

specifications...

MATERIAL

Genuine Walnut exteriors. All veneers carefully selected for color and matched for grain. Bases selected hardwood.

CONSTRUCTION

Tops 5-ply in construction, 1 ¼" in thickness.

Panels — 3-ply in construction.

Posts on Nos. 6486-69-4 and 6469-4 are 1¾" square; all others 1½" with corners rounded. Posts at the knee space on all desks are "Densiwood" which eliminates any possibility of marring or scuffing of these posts caused by chair seats and other objects coming in contact with them.

All drawers have Oak sides and 3-ply Oak bottoms, framed in; full dovetailed construction. File drawer in left pedestal of all double pedestal flat top and conference desks equipped with Nylon roller drawer suspensions and equipped with rods to accommodate hanging type file folders. Drawer partitions in all single drawers. Stationery rack in top pedestal drawer of all typewriter desks.

All desks have dustproof bottoms.

Desk and table bases equipped with Faultless adjustable glides to permit height regulation from 29½" to 30½". Tables constructed to permit K.D. shipment.

HARDWARE

Drawers fitted with attractive pulls of wood with die cast ends finished in bright brass. Knee drawer equipped with heavy duty tumbler lock with milled keys. All desks fitted with automatic positive action locking devices. Bases fitted with metal ferrules and adjustable glides finished to match drawer pulls.

FINISH

Nos. 71 Mellotone and 72-3 Oxford Gray Walnut are standard. Tops are rubbed. Bases treated with acid-penetrating stain and finished in black lacquer.

ALL MODELS AVAILABLE WITH GE TEXTOLITE TOPS ON SPECIAL ORDER

advantages...

- Adjustable glides permit greater working comfort and equalize any unevenness in the floor.
- Densiwood posts at knee space eliminate possibility of marring or scuffing, protect clothing.
- Dustproof underconstruction protects files and keeps papers clean.
- File drawers equipped to accommodate regular and legal size hanging file folders.
- Nylon roller drawer suspensions on file drawers reduces noise and gives finger touch control.
- Unusual drawer pulls add beauty and charm to attractive design and finishes.

SPECIFICATIONS

MATERIAL — Combination Walnut with Genuine Walnut tops, panels and drawer fronts — solid parts of selected hardwood.

CONSTRUCTION — Tops 1¼" thick, 5-ply built-up construction banded with solid lumber rims ⅝" thick, attached to core with tongue and groove joint with corners rounded slightly. Panels 3-ply built-up construction. Posts 1¾" square with outside corners rounded. Drawer interiors of Oak fully dovetailed with 3-ply bottoms framed in. Stationery rack in top drawer of secretarial desk. File drawer in upper left pedestal of conference and executive desks equipped with rods to accommodate hanging type file folders and operates on Nylon rollers to eliminate noise and provide finger tip control. Top right hand drawer of executive desk grooved for filing of two tiers of either 3" x 5" or 4" x 6" cards. Drawer partitions of Tempered Presdwood. All desks have dustproof bottoms under pedestals. Table constructed to permit K.D. shipment.

HARDWARE — Heavy duty cylinder tumbler locks with two milled keys in all knee drawers that control metal automatic positive action locking devices for pedestal drawers. Bases of all desks and table legs equipped with adjustable glides to permit height regulation from 29" to 30½" and serve as levelling device for uneven floors. Metal drawer pulls.

FINISH — Regular Walnut — lacquer finish with tops hand-rubbed. Bases treated with acid-penetrating stain to eliminate scuff marks and finished with black lacquer.
